

Safety: Your safety is of the utmost importance to us. St John's Ambulance will provide first aid support along the route, which is heavily marshalled by volunteers and mobile first aiders for your safety.

You must stay on the designated route. Please do not cross over main roads which are not part of the route. You must listen to the guidance of the safety marshalls. No walker must pass the official walk leader. If you do so, it is entirely at your own risk. Please do not walk on your own, stay close to other walking groups, and please remember this event is not a race.

Toilets: As well as the toilets at the start/finish venue, there are rest points and toilet stops en-route. Please see the map for guidance.
